

To eat a meal with you

Thump

Yep
♡

What?

You're
going to work
overseas
for a year?

I, I don't
want to!

I have
school,
too...
I'm not
going!

Where?!

It's in the
Caribbean sea.
It's a country
called
Barbados

Do you
know it?

Where
is that?!

I don't
know!

What?!

While your
mom and dad
are not around,
you have to
take care of
the house and go
to school
without skipping

Yes, you're
going to take
the big exam
next year.

Who
asked you
to follow
us?

What?

You
should guard
this house
for us~.

Then what
am I going
to do for
one year?

Do
your
best ♡

You go!

So

...

Fly

Devil!!

Leaving me behind,
my parents took
off to travel to the
Southern Islands .

Hahahaha

Aah- I'm
enjoying this.
Living by
myself!

It's
comfortable
and free!

...And this is me
who's been
left alone for
a week now.

Me
now:

Grin

Really?!
That's
awesome!

Roses
Thurb

I'm
really
good
at it...!

That's
a lie...

My
pride...

But I can't
ask help
from
these
guys...!

I've been
eating instant
food for one
week now,
so I'm
having a little
bit of a
hard time...

What are these
bubbles!
They feel
weird!

Bubble!

I can do
simple
housework

Is this...
something
a human
should eat?!

But I'm
no good at
cooking no
matter what...

Sure...
sure!
Cooking
is easy!

Ah...

Flinch

...Ando,
you
can cook?

Grin

Or
is it
just
me?

Your face
doesn't
look so
good...

Let's
play
game!

Hey, Ando,
can we go
to your
house today?

Yeah?
Yep.
It's fine.

Me
too

Okuda is sharp
unlike others,
so I should be
careful.

Have
I been
discovered?

Why? Why? Do you have something to do? A date?

Sorry.

What about Okuda?

Ah, I'm sorry. I can't go today.

...What's the little something?

... This ...

I don't know much about Okuda.

It doesn't matter to me though.

Ding Dong

What
are you
doing,
Ando?

Didn't
he
go
home?

...Huh,
is
that
Okuda?

Well
...

I don't
know
anything
either.

I don't
know
anything.

Why does he
know seniors
when he's
not in any
club and
doesn't
work for
the student
council?

...But
who's
with
him?

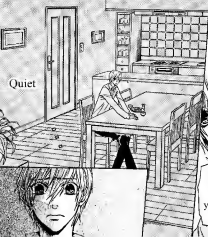

A
girl?

Wouldn't he
introduce
me to one?

He
knows
a lot of
girls.

He's a 3rd
year. I
see him
sometimes...
in the
corridor.
No, a guy.

I'm
sorry!

Get
up

Do you want
to go to the
arcade on the
way home?

I should
do
something...!

I have to do
something
about my life!

I can't
go
today!

Ando!

...

Is Okada
not coming
today,
either?

Then I'm
going
home,
too.

What?!

You
don't
like
me?

What's
that.

...
Me?

We aren't
going to
do it for
a while...

I'm
sorry
~

Yes?
What
about
cooking?!

Okuda
can
teach
you.

Oh,
right.

No
...

Depressed

Okuda
cooks...I
never
knew...

Yeah...
Yeah...

I forgot
about it.

Ah! Right.
Why are you
in the
housework
club?!

Aah,

Okuda is
good at
cooking. He's
not a club
member,
but he helps
us out
occasionally.

Grim

I could do that.

How about it?
Could you teach him?

...Is it,
Is it okay
...?

...
Now,
then
...

Rashie

This is a
surprising
development
...

Didn't
you say
that it's
easy
to cook?

Laugh

—
Somehow

I can't teach
you if I don't
know what
you're bad at.

Aren't
you
going to
make it?!

Let's
cook
for
now?

Sure,
but...

I'll be
looking
forward
to it.

What?!

Yeah.

Are you angry?
Perhaps
you're
angry?

Ah...if it
tastes bad,
you don't
have
to eat it.

Gloomy

...

We
need
change.

Raise

Yeah,
yeah...

You should
learn how
to use a
knife, first.

...Don't say that
when you
had such a hard
time making it.

What is it?

I see...

You're
amazing
...

So I
didn't
know...

Okuda
never talks
about things
like that...

My
parents
both
work
a lot,

So I started
cooking on my
own over since
primary school.

Hehe...

Is...is
that
right...

But!

I
found
this.

Don't read
comic books
in the
living room
just because
your
parents
aren't here.

Give
it back!

Leave
it alone!

You're good,
too. You've
never done
homework
or cooking
before, and
you're still
trying
your hardest.

It's
fantastic.

My cooking skills slowly got better over time.

And I became closer to Okuda.

Oh, you're quite good at it now...

Answering, You're a cooking master!

Yep.

After that,

Okuda came over to teach me how to cook everyday.

Look,

The captain is good at things like that, though.

No, I can only do cooking.

Does the housework club do sewing or stitching?

Yeah.

Ah, Ando, you can taste that now.

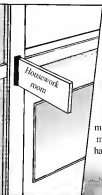

That's so like him...

Then could you do things like that, Okuda?

It makes me so happy...

For somebody to eat my cooked food deliciously,

Grin

Yep

...

How was Ando after that?

Did he get more skilful?

No...
it was just unexpected.

Why?

Yeah. He's really working hard.
Everything's good

Even though you're his friend, you went to his house and taught him how to cook.

Yes?

The cooking

Doesn't taste as good when you're only making it for yourself.

It's sad to hear you talk like that!

Grin

You're not usually like that?

Who is Ando cooking for...

...It's all done!

You learn quickly when you're making it for other people.

Is he going to like it?

I'll make it for Claude when he comes here next time.

...Ah, but wait...

This is great. I made it all by myself!

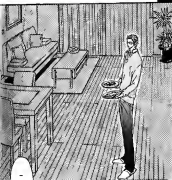

And it really looks delicious.

Wouldn't
Okuda
not come
to see me
anymore...?

If I can
make
meals by
myself,

Some-
how

It's been a long
time since I
cooked dinner
in my house...

Fry

I've been
eating
dinner at
Audo's house
recently.

I want
us to
eat
together.

I made
dinner today
to share it
with you...

For who...

Stand

The food
will
get cold!

We worked
hard
to make it!

You
...

You
can't do
it right
now!

That's
right...

It's this
guy who's
going to
sneak with
me and say my
food is
delicious.

Why?

Some-
time
later...

Huh? Would
rice with red
beans have
been better?

Wow,
it's going
to be
delicious.

Captain
...

What
is this
cake...?

!

What are you
talking about!

This is a
wish for my
life. Please,
please...

이오키 군 쿠스노키 씨

과

Aah,
god...

Ioki and Kusunoki

!

Hehehe

...Does that
have
something to
do with the
situation
at hand?

I was once
in the office
club when I
went to school!

It took me
10 seconds
to run
100m!

If there
was a lock
with a remote
control...

...I could
open it.

Ah, he
changed
the topic

I'm
awkward
around
the guy

Where's
a lock?
Where could
I get it

What
is it?

Is that
suit
new?

Ah...
Yes!

Heh

Ioki.

Ah...
lo...

It's baseless,
but it
really looks
like it?

Some-
how...

From
my
1
[Lent]

It's okay
It's okay
I was an
unbelievable
stupid, so
I'm strong
against
the cold?

If you
real, your
body will
get cold.

That's
baseless

...
That
you, you
break the
key, it?

Somehow...

No
Free

I don't
want to,
I can't
do it.

If I do,
please
take care
of my cat
for me...

to...
look!

I have
an idea

So
you're a
gay like
that...

That's
too
bad...

I have
an idea

Shabo

부동 부동 부동

It's
cold

...

That's nice.

It's warm.

Thank you.

Come here.

What is that...

Look?

Come here.

Now! Don't refuse!

You're all stars and bones.

Yeah?

You're going to be cold like that.

Yes?
Yes?

...What
is it?

When
look
about
me.

Oh, I'm
sorry.

I'm
sorry.

...That's
what
I should
say...

But,

...I
thought
that
honestly

You
might
feel
awkward.

Aah,
you're
like
this
again.

...So
I'm
sorry.

The person
subject
...really
made me
reflect...
and I know I
want to
think
something
like that

You say it so simply when I can't talk about it...

You're so free!

Just because?

Wait, What -what are you doing?!

You do things like that just because?

Yes? No... no.

Of course, it's uncomfortable.

It's a
hug-
les.

And I don't
like it...

I like
you...

I
perhaps,
Kusu-
noki...

But
some-
how,

Are
you guys
all
right?!

I'm sorry
I'm late!

Kusu-
noki!!
Ioki!!

I have nothing
to make me
happier
at the moment!

I
don't
want
to!

I will stay in
my room
until...

Kusu-
noki...

When you're
in an elevator
next time
please tell me

Ioki and Kusunoki

Nice to meet
you Hello.
I am Inko Aono
Thank you
for buying this book!

Months before this volume was going to be printed, "I am happy, but I am worried... This is scary... I felt marriage blues like a bride before the wedding... I put my white cat on my knees near the window and kept sighing. It's very nice that this manga was put together into a book. It's good to be alive... I hope you enjoyed it and found a prince that you liked."
